# Capacity Search / Lane Makers

## Streamline your search

- Find dark capacity for new or hard to cover lanes
- See carriers with the right equipment and running your lanes

## Now part Of DAT One

- More insights about lanes and equipment type availability
- Integrated into the DAT One platform along with new Company Profile, Company Insights, and My Networks

The screenshot displays the 'Lane Makers' interface within the DAT One platform. The search parameters are set to 'Carrier Activity' for the lane between 'Mooslookmeguntic, ME' and 'Mooslookmeguntic, ME', with a 'Full & Partial' load type, 'Vans (Standard)' equipment, and a '6 months' timeframe. The results show the 'Top 30 of 1248 Carriers' for this lane, with a date range of 'Oct 8, 2023 - Nov 8, 2023' and a market size of 'Extended Market (X-Mkt)'. The table lists various carriers, including 'Total Quality Logistics Inc', 'MOLO Solutions', 'TMC Logistics', 'Mertz Solutions LLC', 'Echo Global Logistics', 'Cange Express Llc', 'Monterey Logistics LLC', 'American Diamond Logistics LLC', 'Trinity Logistics Inc', 'Gampac Express', 'Acme Freight', and 'Ryan Transportation Service Inc'. Each entry includes a 'Company' name, 'Owner Verified' status, 'Load Searches', 'Truck Postings (Active)', 'Company Type', 'Posting Type(s)', and 'Reviews'. The interface also features a sidebar with navigation options like 'Dashboard', 'Search Trucks', 'Private Loads', 'Search Capacity', 'My Shipments', 'My Loads', 'Private Network', 'My Trucks', 'Live Support', and 'Tools', along with user information for 'Bryce Quilan'.

# Search Trucks with Compliance Filters

## Compliance Filters

- We are moving carrier vetting to your workflow
- Set Compliance Filters in Search Trucks and highlight the carriers who meet your needs
- Review key carrier highlights and decide if this carrier meets your needs

The screenshot displays the One Freight search interface. The main search area shows a list of 144 results for trucks. The results table has columns for AGE, AVAIL, RATE, TRIP, ORIGIN, DHD, DESTINATION, DHD, TRUCK, and COMPANY. The first few rows show trucks from Indianapolis, IN, with a DHD of 34 and destinations including Z1, Z2, Z3, CA, TX, NV. The 'Compliance Settings' dialog box is open, showing filters for Authority Status, Safety Rating, Age of Authority, and BIPD Minimum.
